LearnMate[®]

The complete solution for any educational program!

E-Learning Curriculum Delivery

- ◆ Deliver consistent content across multiple classes
- ◆ Create media-rich, interactive content

Activity and Project-based Learning

- ◆ Enhance learning with authentic activities and scenarios
- ◆ Incorporate multiple instructional strategies

Secure Assessments

- ◆ Create, deliver and track computer-based formative, summative and common assessments
- ◆ Map student and school performance to Local, State and National standards
- ◆ Evaluate student achievement

Easy-to-Use Administration

- ◆ Automate classroom management
- ◆ Quickly and easily set up classes
- ◆ Produce enriched multi-level reports
- ◆ Focus on students instead of administrative tasks!

THE DASHBOARD TO HYBRID LEARNING!
